

join us for an afternoon of fun and learning

# Super Green 2.0

**Saturday, October 17th, 2009**

**9:30am till 2:30pm**

the Mill Valley General Store

**2800 Sisson Street, Baltimore MD 21211**

**Super Green 2.0** is a day of fun and education based in sustainability. We will have four free work shops that teach attendees how to save money by heating their homes using locally grown sustainable **Biomass**, produce or buy **renewable green Electricity**, inexpensively **Weatherize** their home to reduce their energy bills, and even how to properly **plant a Tree**.

Each of the 45 min. workshops will be held at  
10:00am, 11:00am, noon, and 1:00pm.

Pre-register on line at [www.baltimorebiomass.com](http://www.baltimorebiomass.com)

The event and the workshops are free but only the first 100 people to pre-register will receive a gift package of green goodies featuring vegetable, flower, and herb seeds from Botanical Interests and a tree form Tree Baltimore.
